

QUALITY POLICY STATEMENT

PE ENERGY LIMITED recognizes that the maintenance of Quality standards in all her operations is key to our success and reputation. The company policy is therefore geared towards providing quality service that fulfils the requirements of International, statutory and regulatory standards and satisfy customers and interested parties expectations.

Pursuant to this commitment, a documented Quality Management System (QMS) which meets the requirements of ISO 9001:2015 has been established in which the Chief Executive Officer is responsible for determining measurable objectives for customer satisfaction and the aspirations of the company,

In our service delivery we provide quality services in Automation, Process and system Integration across:

- Automation and controls
- Valves and Actuation
- Process Solutions
- Measurement Solutions
- Electrical / Instrumentation Solutions
- Supply Chain Management

With domain solutions in Water & Process Treatment, Wastewater & Reuse Options as well as Exploration and Turbine Solutions

The company continually improves the effectiveness of the QMS by appraising its objectives for continued suitability at management review meetings.

All employees are made aware of this policy and its objectives and are committed to its implementation.

Signed

Daere Akobo
Chief Executive Officer
